2014 Honorary Dean - featured Monday 4/27

**Antwone Fisher**

**Author/Screenwriter/Poet**

Kids at Hope in conjunction with **Arizona State University** offers a one week intensive **Youth Development Master's Institute**. The week long institute attracts world leaders in the fields of child and youth development, juvenile justice and education. The institute is recognized for its exciting keynote speakers, workshops, site visits and the latest information about hope, optimism, success and resiliency.

This year we are pleased to announce **Antwone Fisher** as our honorary dean. Mr. Fisher's life, which was made into a major motion picture starring Denzel Washington, is emblematic of the mission and vision of Kids at Hope. Antwone will speak about his journey of hopelessness to hope. We are also excited to have **Dr. Kenneth Ginsburg**, a Pediatrician specializing in Adolescent Medicine at Philadelphia Children's Hospital; **Lauri Burns**, Founder of The Teen Project and a highly regarded and renowned international speaker; and **NYPD Chief Joanne Jaffe**, whose exploits are chronicled in the bestselling book, *DAVID & GOLIATH*. Other featured speakers include *Charlie Steffens* and *Spencer Gorin* of Creative Spirit; *Kenny Dobbs*, World Champion Basketball Dunk Shot Artist and Professional Basketball Player; and *Rick Miller*, Founder, Kids at Hope.
