

How do you best celebrate Kids at Hope in your school/organization/community? How do people know that Kids at Hope is Believed and Practiced there? Let us know your best practices, traditions and celebrations year round and if you are doing anything extra special to celebrate during Kids at Hope week!

Instead of a traditional contest this year, we want you to share your celebrations with us on social media!

Post on either **Facebook, Instagram or Twitter** and use the hashtag **#hopehopehooraykah**.

Posts will be checked until Friday, November 17th. Each post will be entered into a drawing to win some fabulous prizes! The more you post and tag, the more chances you have to win!*

<https://twitter.com/kidsathope>

We can't wait to see how you celebrate Kids at Hope!

Questions? – email kim@kidsathope.org

**Only one prize per person.*
